Re: Anderson v. Romano, 08 CV 0559 (JSR)(KNF)

Dear Judge Fox:

This office has just received a request for representation from defendant Bernstein, whom the docket indicates was served on July 2, 2008.

In the interests of efficiency, and because the same defenses apply and defendant Bernstein is willing to waive any defects in service, this letter is sent to respectfully request that the Court enter an Order allowing defendant Bernstein to respond to the complaint by now joining in the June 19, 2008 Motion to Dismiss previously submitted on behalf of defendants Goord and Koenigsmann.

7/18/08  
Application granted.  
SO ORDERED:  
Daniel Schulze  
KEVIN NATHANIEL FOX, USMS.

Respectfully,

A handwritten signature in black ink that appears to read "Daniel Schulze".

Assistant Attorney General
